

Employee survey 2024

95% of employees believe that there is a good working atmosphere.

95% of employees feel that they have the opportunity to participate in training.

My company is committed to Health and Safety.

In my company all employees are treated equally.

I can rely on colleagues when I need support.

For us customers are our number one priority.

I have confidence in the Senior Management Team.

I find communication within my company open and honest.

I am proud to work for my company.

“The Management I have experienced so far has been excellent. It’s refreshing being part of a company that really cares about their people and this reflects in the day-to-day management of the teams.”

“The team work really well together and with other departments. Communication is easy and everyone is approachable and easy to talk to. This allows the quality of work we produce to be maintained at a high standard.”

“The work I have been involved with is very interesting and allows me to develop as an engineer. I feel confident I am supported by my team and upper management and feel comfortable asking questions and obtaining support when required.”

“We run a continuous improvement programme within the business and this helps to address any issues raised across the business.”
